WIC CASELOADS ARE ON THE RISE

Our local WIC project has been seeing a rise in caseloads as of the past 6 months by over 100 participants/month.

We believe the increasing cost of food and living expenses as well as Food Share and Medicaid benefits are returning to pre-pandemic normal coverage amounts.

WAIVERS STATUS

THE RECENT EXTENSION OF THE PUBLIC HEALTH EMERGENCY DECLARATION FOR COVID-19 ENSURES THAT WIC FLEXIBILITIES ARE IN PLACE THROUGH **MID-JULY 2023.**

The COVID-19 emergency is ending, WIC plans to adopt hybrid model for both in person and remote services in the future.

Formula Waivers expired:

- Similac formula supply has shown improvement and waivers have not been renewed
- Only previously approved Similac Formulas available through WIC now
- Alternate medical formulas waivers end **June 30th, 2023.**
